

Magnolia Manor Inman

WEEKLY UPDATE

6/26/20

Dear Residents and Families/Representatives,

First I would like to say I am pleased to have joined Magnolia Manor Inman as your new Administrator. I come with more than 30 years industry experience and I hope to assist the team in ensuring our residents quality of care and services are at the highest standard. As of today, 105 residents and 22 staff members have tested positive for COVID-19.

While we focus on stopping further spread of this virus in our facility by continuing to follow the recommendations of our health officials and practicing the enhanced safety measures we have previously reported to you, we also want to make sure our residents' daily routines are as normal as possible and that they are having some fun, too!

As always, please continue to check our website for updates. We will notify you if we receive confirmation of a new positive case in our facility and we will reach out to you individually if your loved one is displaying symptoms of COVID-19 or tests positive for COVID-19.

If you have any questions or concerns please contact us directly at 864-472-9055.

Very truly yours,

Ronald A. Denti, LNAHA
