

**Magnolia Manor Inman**

**8/20/20 Weekly Update and Notification of New Case**

Dear Residents and Families/Representatives,

Please accept this letter as our weekly update regarding the status of COVID-19 in our facility as well as notification that we received confirmation today that a resident tested positive for COVID-19, which brings our total number of positive cases to 119 residents and 23 staff members. This resident is not currently in the facility.

As always, we will continue working hard to keep everyone in our community safe and by practicing the enhanced safety precautions that are known to prevent the spread of COVID-19, such as only essential personnel are allowed inside the facility and we screen them for signs and symptoms of illness prior to entering. Our residents are continually monitored and staff is using PPE as recommended by the CDC. Staff is frequently reminded and encouraged to practice social distancing and to use hand sanitizer and frequently wash their hands when they are in the facility and out in the community. We ask them not to report to work if they have symptoms of illness.

Please continue to check our website for weekly updates as well as notifications if any new cases arise. As always, we will notify you if we receive confirmation of a new positive case in our facility and we will reach out to you individually if your loved one is displaying symptoms of COVID-19 or tests positive for COVID-19.

If you have any questions or concerns please contact us directly at 864-472-9055

Very truly yours,

*Ronald A. Denti, LNHA*
