9/18/20 WEEKLY UPDATE

Dear Residents and Families/Representatives,

Please accept this letter as our weekly update regarding the status of COVID-19 in our facility. We are happy to report that, as of today, we remain COVID-free as we have no confirmed cases of COVID-19 in our facility. Since the beginning of the pandemic we have had a total of 122 residents and 23 staff test positive for COVID19.

We are preparing for initiating outside family visitation and I will be posting this information on our website **early next week** so please continue to check our website for important updates. As always, we will notify you if we receive confirmation of a new positive case in our facility and we will reach out to you individually if your loved one is displaying symptoms of COVID-19 or tests positive for COVID-19. If you have any questions or concerns please contact us directly at 864-472-9055
