## **9/10/20 Weekly Update**

Dear Residents and Families/Representatives:

Please accept this letter as our weekly update regarding the status of COVID-19 in our facility. Based upon recent federal requirements applicable to all nursing homes, we have been testing all employees and residents twice per week for the last couple of weeks and are pleased to report no positive test results.

1 resident who transferred to us from the hospital was positive, however, that resident is no longer in the facility. Since the beginning of the pandemic we have had a total of 122 residents and 23 staff test positive for COVID19.

In the very near future we will be updating you regarding how family visitation can be re-instituted and what protocols need to be in place for this to occur so please continue to check our website for weekly updates as well as notification of new cases. As always, we will notify you if we receive confirmation of a new positive case in our facility and we will reach out to you individually if your loved one is displaying symptoms of COVID-19 or tests positive for COVID-19. If you have any questions or concerns please contact us directly at 864-472-9055.

Very truly yours,

*Ronald A. Denti, LNHA*

## 9/18/20 WEEKLY UPDATE

Dear Residents and Families/Representatives,

Please accept this letter as our weekly update regarding the status of COVID-19 in our facility. We are happy to report that, as of today, we remain COVID-free as we have no confirmed cases of COVID-19 in our facility. Since the beginning of the pandemic we have had a total of 122 residents and 23 staff test positive for COVID19.

We are preparing for initiating outside family visitation and I will be posting this information on our website **early next week** so please continue to check our website for important updates. As always, we will notify you if we receive confirmation of a new positive case in our facility and we will reach out to you individually if your loved one is displaying symptoms of COVID-19 or tests positive for COVID-19. If you have any questions or concerns please contact us directly at 864-472-9055

## **9/24/20 WEEKLY UPDATE**

Dear Residents and Families/Representatives,

Please accept this letter as our weekly update regarding the status of COVID-19 in our facility. We are happy to report that, as of today, we remain Covid-free. Since the beginning of the pandemic we have had a total of 123 residents and 23 staff test positive for COVID-19.

Regarding visitation, regulations stipulate that a nursing home can only re-open for family visitation 14 days from the date the last resident or employee tested positive. Since a resident tested positive on 9/19, we are looking at Monday, October 5<sup>th</sup> as the tentative earliest date to resume family visits. There are strict State guidelines in doing so and we will be mailing a letter to all family members next week fully explaining the process.

Very truly yours,

*Ronald A. Denti, LNHA*

## **9/3/20 Weekly Update**

Dear Residents and Families/Representatives:

Please accept this letter as our weekly update regarding the status of COVID-19 in our facility. Based upon new federal requirements applicable to all nursing homes, we are now in the process of testing all employees and residents. Many employees and residents have already been tested with no employees testing positive. 1 resident has tested positive, however this resident had a planned transfer in progress to one of our sister buildings so that resident is no longer in the building.

Since the beginning of the pandemic we have had a total of 121 residents and 23 staff test positive for COVID-19.

In the very near future we will be updating you regarding how family visitation can be re-instituted and what protocols need to be in place for this to occur so please continue to check our website for weekly updates as well as notification of new cases. As always, we will notify you if we receive confirmation of a new positive case in our facility and we will reach out to you individually if your loved one is displaying symptoms of COVID-19 or tests positive for COVID-19.

If you have any questions or concerns please contact us directly at 864-472-9055

Very truly yours,
