## **9/24/20 WEEKLY UPDATE**

Dear Residents and Families/Representatives,

Please accept this letter as our weekly update regarding the status of COVID-19 in our facility. We are happy to report that, as of today, we remain Covid-free. Since the beginning of the pandemic we have had a total of 123 residents and 23 staff test positive for COVID-19.

Regarding visitation, regulations stipulate that a nursing home can only re-open for family visitation 14 days from the date the last resident or employee tested positive. Since a resident tested positive on 9/19, we are looking at Monday, October 5<sup>th</sup> as the tentative earliest date to resume family visits. There are strict State guidelines in doing so and we will be mailing a letter to all family members next week fully explaining the process.

Very truly yours,

*Ronald A. Denti, LNHA*
